

**WANTED:
STRONGLY PRO-CHOICE
Volunteers to serve on the
Board of Directors**

**for Feminist Women's Health Center
which operates Cedar River Clinics**

Mission: Cedar River Clinics provides abortion and birth control so women may decide their own futures. We also engage in pro-choice activism to ensure that women will always have a choice, and community education to understand abortion and birth control.

Volunteer Opportunity: We are looking for strongly pro-choice volunteers to govern, lead, inspire, fundraise and plan for the future. The Board is composed of 9-12 community volunteers with a variety of skills and backgrounds. We have very interesting and fun meetings, quarterly, on weekends. Child care assistance is available to help you attend meetings.

To learn more, call Joan at 360-387-9589 or send email to JoanS@CedarRiverClinics.org. To learn more about the organization, see our websites at www.CedarRiverClinics.org and www.FWHC.org and [www.Birth -Control-Comparison.info](http://www.Birth-Control-Comparison.info).

Cedar River Clinics is a non-profit organization committed to diversity and equal opportunity, EIN 91-1083929. Find us on Facebook and Network for Good.
