Cedar River Clinics – Renton is seeking an advanced practice clinician experienced in providing well-woman care, LGBTQ care, birth control, and medical abortions.

Summary of Major Responsibilities:

- Provide primary and preventative care which consists of routine gynecological care following established protocols.
- Provide LGBTQ wellness services including transgender care (hormone therapy, monitoring, and post op care).
- Assess health status.
- Diagnose acute and chronic health conditions and diseases.
- Develop and implement a treatment plan.
- Follow-up and evaluate patient health status.
- Gynecologic assessment.
- Diagnostic and screening tests.
- Clinical management of hormonal contraception.
- Health teaching and counseling regarding maintenance of health, family planning, and preparation for children.
- Diaphragm fitting.
- Cervical cap fitting.
- IUD insertion and removal.
- Implanon insertion and removal.
- Clinical management of medical emergency situations.

- Conduct patient assessment, Rx and renew prescriptions based on established protocols and clinical practice guidelines.

Additional Responsibilities:

- Medical Abortions – Administration of Mifepristone and Misoprostol.
- Post-abortion examination and assessment.
- Ultrasound imagining of the uterus and surrounding structures to locate the pregnancy, age the pregnancy or confirm clean, intact uterus following the procedure.

Summary of Skills:

- Current licensure and certification in the State of Washington with prescriptive authority.
- Current CPR certification.
- Thorough knowledge of and experience in reproductive health, abortion recovery and complications, contraceptive methods, and STIs.
- Commitment to reproductive choice and freedom.
- Participate in ARNP services program ongoing development and refinement.
- Participate in Advanced Practice Peer Review process.
- Participate, as a member of the Medical Advisory Committee by attending scheduled meetings and offering input and ideas.

Qualities we seek:

- Demonstrated leadership (integrity, collaboration, follow-through, respect).
- Awareness of social justice and women's rights issues.
- Ability to communicate proactively and effectively both verbally and written with professionals, clients and Healthworkers.
- Pro-choice and supportive of women who do choose abortion.
- Skill working with a diverse patient population including a large proportion of LGBTQ patients
- Creativity, reliability, flexibility, initiative, self-motivation.
- Working computer knowledge of Microsoft Office programs as well as medical databases.
- Experience in abortion services a plus.
- Experience in Reproductive Health, Family Practice, and LGBTQ Awareness preferred.
- Bi-lingual a plus.

ABOUT THE CLINIC:

Cedar River Clinics is AAAHC accredited health care facility with locations in Renton, Seattle, and Tacoma. We provide abortion, birth control, STI/STD testing and treatment, other reproductive health care, and LGBTQ wellness services including transgender care.

Cedar River Clinics is a social change organization that combines *direct services* (abortion and reproductive health care), with *activism* (to preserve the right to choose) and *community education* (to demystify health information and empower health decisions).

VISION: We have a vision of the world where we are all free to make our own decisions regarding our bodies, reproduction, and sexuality – creating communities where we can fulfill our own unique potential and live healthy whole lives with dignity.

MISSION: Ensure access to reproductive and sexual health care through direct services, advocacy, and community education to defend bodily autonomy and advance social justice.
